MEMORANDUM FOR: Director of Medical Services
Director of Security

John and Oz:

The attached memorandum recently came to my attention. I note it is dated in October of 1970 and it refers to "we" (see first word, paragraph 1). I do not know who "we" are or were.

Would both you gentlemen be good enough to re-think the matter, particularly as it applies to paragraph 1.a. and then, some morning after the 8:40 a.m. meeting during the week of 18 February, I would like to review the bidding with you.
